zypl.ai

Our Traction

1M

consumer loans in our cumulative database

99%

accuracy in predicting creditworthiness

>$2M

issued across 17 urban and rural areas of TJ

3

currently present markets (KZ, UZ, TJ)

zypl.ai

Our Impact

Mijgona is a repeat client at Spitamen

Before zypl.score deployment, she had waited for 2 days to get a micro-loan

Now, she received $130 micro-loan in 10 minutes with no documentation

Our Seed Round

Raised seed capital from Islamic Development Bank, Activat (Kazakh VC), and angel investors

SAFE post-money valuation cap: $6 million

Registered as a public benefit corporation
