What is there now in the Venture Capital of Tajikistan?

- State Business Incubator Acceleration Program

- Project Venture School by USAID+UNDP+SBI+UNDP

- Accelerate Prosperity funding instruments

- Legal Research, Access to funding for startups

- Funding instruments

Tajikistan Venture Capital School

Tajikistan Venture Capital is a young organization promoting the development and actualization of venture investments in Tajikistan. TVC unites founders of companies and corporations, entrepreneurs and investors, mentors and experts on one

platform, where various meetings, workshops, and training are held. With us you will be able to get expertise on venture investments, a wide range of experience, knowledge and experience from experts of your profile, as well as new ideas and views on the world of startups and business.

TVC and UNDP plans:

Venture School for Corporations

Packing the Top 20 Startups

**Establish a database of venture
investors in Tajikistan**

Networking

Awareness Program

**Why does the Ecosystem need venture capital
investments?**

Frame Leak

Investment Drain

**Leakage of Startup
jurisdiction**

**Slowing Down the Scaling of
startups with a founder from
Tajikistan**

**Complication Solving
of corporations and**

Increasing the value of startups

Some problems of legislation is:

1

**The concept of
venture investments**

2

**The concept of
a venture fund**

3

Tax deduction

4

**Prohibition of
a convertible loan**

5

**Residence and legal
form for startups**

A double-edged sword:

Angels will appear when there are cool startups

So we have to do it at the same time

Great startups will appear when there are angels

Thank you for your attention!
